The above list is the standing of the high schools contesting in the northwest Missouri inter-high school track and field meet held on the Normal school track Saturday afternoon.

St. Joseph Central, the only class A high school in the association, won the championship trophy with a margin of nearly twice the number of points gained by New Hampton, nearest competitor.

Although New Hampton is a class C school, she had a greater number of points than any class B school, and so was entitled to the class B cup. Upon forfeiting the class C cup to win the cup of the higher class, she forfeited her right to the trophy of class C, which was then won by Maitland with a total of 17 points.

3 Local Students Winners.

The Maryville school, together with Bethany, finished in seventh place, each with 7 points. Flemming, Glass and Yehle were the point winners for Maryville. Flemming, who took second in the 220-yard dash, is a sprinter of considerable promise, and with experience should make an exceptionally fast man. He also took fourth in the 100-yard dash, and finished up fourth in the relay for Maryville. Yehle tied for third place on the pole vault event. Glass took fourth in the discus throw, while Frank tied for third in the running high jump.

Only two records were broken during the meet. The light rains of Friday night and Saturday morning made the track so slippery that it was impossible to make record time in the running events. Many fast men contested, and it is highly probable that if the track had been in perfect condition that several high marks would have been smashed.

Younger of Maitland, who held the record in the pole vault, raised his own mark of 10 feet 5 1/2 inches to 10 feet 8 inches. Younger tried 11 feet but grazed the bar too closely and did not

make the distance. Vandewater of Mound City got the other record, smashing the redoubtable Simpson's distance in the standing broad jump. The Mound City lad jumped 10 feet 5 1/2 inches. The old mark was 10 feet 2 1/2 inches.

Official Receives Praise.
One of the features of the meet was that it was run off entirely in the afternoon. Hitherto preliminaries have always been run in the morning. However, the events were so planned that the meet went off in schedule time.

Much credit was given to corresponding Secretary H. P. Swinehart, who also was the manager of the meet, for the systematic way in which the whole meet progressed, and for the

SIMPSON, LOCAL FAME, WINS

Former Bosworth Star Takes Second at 'Penny' Meet in 120-Yard Hurdle.

R. Simpson of the University of Missouri, formerly of the Bosworth high school, during which time, in 1913, he broke several track and field meet records here in the inter-high school events, took second place in the 120-yard hurdles on the M. U. relay team at the Pennsylvania meet Saturday. The best time was made by him in the preliminary, it being 15.2-5 seconds.

He represented the Bosworth high school here in 1913, with the result that he took first in the running high jump, running broad jump, discus throw, standing broad jump, and the hop, step and jump. Only one of these records have since been broken, that being the standing broad jump Saturday.

FORMER COUNTY OFFICIAL HERE.

W. M. Oakerson Visits Superintendent and Relatives in County for Week End.

W. M. Oakerson, former county school superintendent, now chief clerk in the state public schools department at Jefferson City, left this morning for Bolckow, after a two days visit here with Superintendent Bert Cooper and his parents, Mr. and Mrs. A. J. Oakerson, and brother, Lon Oakerson, at Skidmore.

He also took in the track meet Saturday afternoon. Mr. Oakerson made a commencement address at Clarkdale Friday night, so came up here to spend the week end. He will inspect the Bolckow schools today.

King City Guest Here.

Miss Strauss Martin of King City is in Maryville visiting Mrs. May Denny, at the home of Mrs. Denny's parents, Mr. and Mrs. J. S. Clark of South Main street.

Ed Lippman Here.

C. E. Lippman of St. Louis spent Sunday visiting in the city with his mother, Mrs. Lorette Lippman.

1,000 AT SERVICES

FOUR MEETINGS MAKE SUNDAY BIG DAY FOR METHODISTS.

25 TOTS JOIN CHURCH

"Lodge Night" Brings 600 Men to Hear Evangelist Thurston B. Price Last Night.

The services yesterday morning and last night at the First Methodist church were outstanding in interest and attendance. From the Sunday school with more than 400, 100 of which were men, to the close of the night service, with a crowded house, attention was intense.

The morning sermon was a challenge to the church. Evangelist Thurston B. Price insisted that if Christianity was to win, a standard higher than that of the world must be raised inside the church.

Special Service for Children.
The children's service in the afternoon was well attended and not only interesting but instructive. Twenty-five of them joined the church. The singing of the chorus was remarkable, considering the rehearsal. Rev. E. N. Guice has a wonderful influence with young people, and it was manifested in the singing and exercises of the afternoon. The sermon to young people by Mr. Price was an appeal for an early beginning of the Christian life.

"Lodge night" last night was a great success. The men filled almost the whole of the main auditorium, and the women occupied the galleries. Spirited singing, Christian fellowship, an exaltation of the church characterized the service.

The subject of the evangelist's sermon tonight will be "The Value of the Soul."

HE DENIES GAMING CHARGES

Bob Garten, Hopkins, Arrested on Grand Jury Indictment—Pleads Not Guilty Today.

Bob Garten of near Hopkins, pleaded not guilty to a state charge of gaming before Circuit Judge W. C. Ellison, this morning, on arraignment, and his case set for trial next September. His bond was fixed at \$200, which he announced he could furnish tomorrow.

Garten was arrested Saturday and brought to Maryville. The arrest followed an indictment returned by the grand jury recently.

MRS. MCCLANAHAN DEAD.

Funeral Services Will Be Held at J. O. Thompson Home.

Mrs. Nancy McClanahan died at 7:45 o'clock this morning at the home of her daughter, Mrs. J. O. Thompson, of Guilford.

Mrs. McClanahan had been in failing health for several years. Her husband died a number of years ago. She is survived by five children. They are J. M., W. D. and J. A. McClanahan of Guilford, Mrs. Hanna of Pickering and Mrs. Thompson of Guilford.

No definite arrangements have yet been made for the funeral service, but it will probably be held at 11 o'clock tomorrow morning at the residence of Mrs. Thompson.

IMPROVE ROADS NEAR QUITMAN.

J. S. Carden, Sherman Cardell, Quitman, Make "Best" Highway, Some Declare.

Who is champion road dragger of Nodaway county?

That is the question now up before the judges—the people who traverse the county highways.

Two leading contestants for that title are J. S. Carden and Sherman Cardell, near Quitman, who have dragged and improved three miles of the highways this side of Quitman with marked success. Some declare them to be easily the winners. Anyway, the stretch is exceedingly good, in comparison to many other miles of roads in the county, it is said.

TO COLLECT MAGAZINES.

Club Women Will Make General Gathering in a Few Days.

A general city collection will be made of magazines the latter part of this week or the first of next week by the club women, who are gathering them for the annual shipment to be made early in June.

The club women will appreciate the co-operation of all the women in the city in this work and ask that the magazines be saved and tied in bundles ready for the collector.

A thorough canvass will be made of the city and all residences visited.

MEET AS BOARD OF APPEALS

County Officials Near Assessment Complaints Today—Few "Kicks" Are Registered.

Members of the county court, County Surveyor J. E. Reese and Sheriff Edwin Wallace met as a board of appeals today to hear complaints from property owners of real estate and personal property in Nodaway county whose assessments for 1915 were raised at the meeting of the board of equalization recently. Few kicks are being registered this year, however.

The general assessments were raised in several townships and many changes made in individual assessments, but most of them seemed to have "taken" all right. The greatest complaint appears to have come from Jefferson township.

Consideration of assessments of merchants' tax will not be heard until next September.

PALFREYMAN, NORMAL TUTOR

U. of M. Basket Ball Captain to Assist in Manual Training Here This Summer.

George Palfreyman of Columbia, captain of the University of Missouri basketball team, a member of the university base ball team, and a general all-round athlete, has accepted the position as assistant manual training and physical education instructor at the State Normal school here during the summer term.

Mr. Palfreyman came to Maryville Saturday with Chester L. Brewer, athletic director of the University of Missouri, to attend the track meet, but has returned to Columbia, pending the commencement of the summer term there May 27.

He is finishing up his work in education and arts and science at the university, though he will not receive his degree until the middle of next year. Palfreyman has served his three years at Missouri.

IS JESSE WILLARD'S COUSIN

Floyd L. Willard, Auto Speeder, Stops Off on Tour—Fights Champ's Double Accompanies.

Floyd L. Willard, Albert Lea, Minn., first cousin to Jesse Willard, heavyweight champion of the world, is in town.

Sounds rather fanciful, doesn't it? But it is true nevertheless. As this good piece of news seeped out to a slight degree yesterday, the said human has been the host of scores of youths, and even men, bent on getting a glimpse, at least, of this far-relative of the fight champ.

It might be mentioned that Floyd rode into Maryville Friday aboard a speed auto—a 48-horse power Mercer racing car, enroute from Albert Lea to Coffeyville, Man. With him was William Jensen, 6 feet 7 1/2 inches high, weight 240 pounds, minus any fat, almost an exact double of the fighting champion, and who has passed off in several towns on the trip as the real article.

Accompanying them on another racer was Sigfried Hougdaal, a motor cycle fiend and 25-mile champion on the two-wheel automobile.

Upon arriving here they were compelled to remain over Saturday, yesterday and today on account of the bad condition of the roads. They will enter races at Coffeyville, Winfield and Salina, Kan., within the next month, then take in the various county fairs with their speed machines.

But getting back to the subject, Floyd L. Willard is a son of F. C. Willard, a brother to the father of Jesse Willard, sure-enough fight champion. The Willards are all husky. It runs in their family, too, to scrap, so Floyd testified. In fact, he is quite solid with the gloves and in wrestling himself, and recently fought a six-round ring battle at Des Moines with marked success.

The Willards, so Floyd says, formerly lived in Vermont. Later F. C. Willard moved to Minnesota and his brother moved to Kansas, where the heavyweight title holder got his rearing.

Floyd first visited Jesse Willard four years ago at St. Louis.

SAY NEGRO WAS 'BOOTLEGGED'

Arrests Lewis Wilson on Charge from Gallatin—To Be Returned.

Lewis Wilson, a negro, was arrested by Sheriff Edwin Wallace here this morning, on charge of "boot legging" served against him at Gallatin, Daviess county. Sheriff Samuel R. Surface of Daviess county, will come to Maryville today to return with Wilson.

G. A. Gasper pleaded guilty to a charge of being drunk and was fined \$5 and costs in police court this morning. He paid.

TO COMPETE AGAIN

LOCAL ATHLETES MAY GO TO TRENTON MAY 7

PLAN BETTER MEET 1916

Annual Contest Next Year to Be Improved by Additional Contest and More Liberal Rules.

With the close only Saturday of the sixth annual northwest Missouri inter-high school literary and athletic contests, considered the most successful and interesting, in many ways, of any of the six that have been held, high school students already are looking forward to next year's meet with the intentions of beating present records. Officials of the association likewise are looking forward to the next meet and feeling quite well satisfied generally with the one just closed.

Despite the threatening weather the officials and participants had to contend with preceding and during the game a large crowd witnessed the athletic and literary contests. The track meet participants also did ably, local officials say, considering the condition of the field and the short time in which some had to train for the meet.

Changes are Improvements.
The literary contests also resulted favorably, better essays and declamations than ever before being presented. The meet just closed also resulted in a far greater interest being taken by the various high schools of the Normal district, with the result that each year competition is growing keener and more spirited in both literary and athletic events.

The addition of extemporaneous speaking to next year's program also will result in a greater interest being taken and an enlargement of the entries, it is believed. The improvement of rules and conditions governing the meets also will do much to increase interest, it is believed. One change in particular—that permitting athletic entries up to within eight days of the track meet, instead of fourteen days, as in the past—will allow school athletic directors to better judge which men to enter.

High School Plans Another.
The change relative to grading on general effectiveness, rather than by the old point system, in the declamatory and extemporaneous speaking contests likewise will prove satisfactory, it is conjectured.

While the local high school secured no championship nor relay cup in the meet Saturday, the success of several of the participants in taking away several awards indicates the local school has the material with which it can do much in the future meets, when the men will be better developed and trained.

The local athletes are planning to take part in the high school track meet at Trenton, May 7, but will not enter the tri-state high school meet at Tarkio the same date, it is announced.

RETURNS TO COLUMBIA.

Charles Kane Delivers Official Invitation to Press Association.

Charles Kane, a student at the Missouri state university, returned to Columbia last night, after a short visit in this city with his parents, Mr. and Mrs. John Kane.

Mr. Kane came to Maryville to attend the meeting of the Northwest Missouri Press association, held Friday and Saturday, and to deliver the official invitation of Dean Walter Williams of the university for the association to attend journalism week, May 3 to 7, at Columbia.

Christian Endeavor to Meet.

A special meeting of the Christian Endeavor Society of the First Christian church, will be held tomorrow night to make arrangements for holding the annual May morning breakfast at the church Saturday morning, May 1.

Conducts Examination.

Cleve Funk, one of the members of the civil service commission at the postoffice here, went to Albany Saturday, where he conducted a civil service examination for postmaster at Altondale. Only one took the examination.

Returns from Indiana.

Mrs. G. H. Colbert has returned from a several weeks visit with relatives in Anderson, Ind., and other eastern points.

Mr. and Mrs. Joseph Berg of Conception announce the birth of their son yesterday morning.

AUSTRIA READY FOR ITALY

Italian Refugees Report Frontier Lined With Entrenchments and Cannon—To Raze Villages.

By American Press.
Belluno, Italy, April 26.—Italian refugees from Austria report that Austrian troops have fortified the entire frontier along the Italy-Austria-Hungary boundary and are even building entrenchments of concrete, behind which have been placed cannons of large which have been placed cannon of large caliber.

Officers are said to have declared that if hostilities are begun they will raze the villages nearest their lines from Selva, east of Lake Gardi, in Italy, to the last village in Italy, twenty miles to the north of Selva.

STOP U. S. PEACE WORKERS

Forty American Women Delegates to The Hague Congress Help Up in England.

By American Press.
London, April 26.—The steamer Nordway, with forty American women delegates to the Hague peace congress among its passengers, is anchored in Downs, unable to obtain permission to proceed up the channel to Rotterdam. Miss Jane Addams of the famous Hull house, Chicago, has sent an appeal to the United States ambassador at The Hague, urging him to enlist the aid of the American government to secure the release of the marooned delegates and enable them to arrive at The Hague in time for the conference, which opens at The Hague Wednesday.

STORE TO BE ENLARGED.

Haines Dry Goods House to Undergo Extensive Changes.

An extension is to be made in the salesrooms of the Haines dry goods store and the main room extended fifty feet to the west. Workmen will begin on the remodeling in a few days. The wall at the back of the present salesroom will be removed and the entire length of the building opened into one main room.

The new room will be devoted entirely to the display and sales room for ready to wear goods. With the finishing of the new room there will also be built a private alteration room, which will be under the direction of Miss Anna Stabler.

Miss Stabler will close the dressmaking establishment over the Alderman Yehle store, which she has conducted for some years, and will take the position at the Haines store May 9. Mrs. D. E. McDonald, who is at present in charge of the alteration room, will assume charge of the corset fitting department. A private room will also be built for the corset fitting accommodation. The warerooms have been devoted to selling space only.

Other changes for the convenience and beauty of the store will be introduced in the changes to be made.

FARMERS ARE BUSY NOW.

Nice Weather Brings Long Working Hours—Make More Gardens.

The Nodaway county farmer is right now about the busiest class of men in the county, as will be attested by anyone driving through the country just now. The farmers suffered a little setback in their spring work as a result of the long winter of distressing weather and they are making up for it by long hours at hard labor right now. The pleasant weather has been of great benefit and they are catching up in great shape.

Besides planting record acreage of general crops this spring, many farmers of the vicinity are paying greater attention than usual to gardening. On nearly every farm this week farmers, their families and their hired hands were busy planting "backyard gardens" long after they had come in from the fields.

TO FIGHT CANADA?

GERMAN FLEET HEADED ACROSS ATLANTIC, REPORT.

MAY ATTACK EAST COAST

Information from Navy Deck Officer to Master of Interned Ship—Some Discredit Report.

By American Press.
Portland, Ore., April 26.—A German squadron of fourteen vessels, bent on bombarding the most important cities and fortifications of the Atlantic coast of Canada, is now headed for the western hemisphere, according to a letter received last night by Captain Carl Branch, master of the German bark Delberg, interned here since July 23, from a friend who is deck officer of the German navy.

While the Portland report is not looked upon as authentic by some, it is generally reported that part of the German navy hemmed in the Baltic and North seas by the British fleet has gotten into the open and may be headed across the Atlantic, as reported.

DIES AT UNCLE'S HOME.

Funeral Services for Willard Jones to Be Held Tomorrow.

Willard Jones, 21 years old, died at 10 o'clock this morning at the home of his uncle, Charles Jones of Burlington Junction.

The young man had made his home with his uncle for some time. The funeral services will be held at 11 o'clock tomorrow morning at the Methodist church in Burlington Junction. The burial will be made in the cemetery there.

TO ATTEND SISTER'S FUNERAL.

Two Members of Hays Family Buried Within Two Days.

J. T. Hays of this city and his brother, John G. Hays of Skidmore, left yesterday afternoon for Wray, Col., to attend the funeral services of their sister, Mrs. Eliza Poston, who died at noon Thursday, and a few hours after the death of another sister, Miss Isabelle Hays of Skidmore, who passed away at 7 o'clock Thursday morning.

The funeral services of Miss Hays were held at 11 o'clock Sunday morning at the Methodist church of Skidmore, conducted by the Rev. C. H. Sauceman, pastor, assisted by the Rev. Reuben Barrett and the Rev. W. H. Welton of Skidmore. The body was buried at the Burr Oak cemetery.

COURT IN BRIEF SESSION.

April Term Will Close Wednesday Until September—Continue Motion Case.

A brief session of circuit court was held here this morning, at which time Bob Garten waived formal arraignment for gaming and a motion to retax costs in the suit of John Growney against Conrad Reiddinger, was continued.

A short and final session will be held Wednesday, when A. F. Harvey will present his decree as special circuit judge last week, in a suit over the perfection of a farm title. This will end the court work here until next September.

Judge W. C. Ellison and Arthur Brewer, court reporter, will go to Grant City next Monday to convene the May term of the Worth county circuit court.

To Hold Annual Sale.

The annual rummage sale given by the Mission Circle of the First Christian church will be held Friday and Saturday in the vacant building directly east of the Star theater, on the north side of the square.

A PLEA FOR RISING EARLY

Venus and Jupiter in Conjunction at 4 a. m. First Time in 12 Years.

A rare and beautiful spectacle is being staged in the heavens this week, but, unfortunately, owing to the unearthly hour at which the curtain rises the audience is limited to belated night owls and the few enthusiastic astronomers of the city. The astral performers are Venus and Jupiter, who, after an absence of nearly twelve years are appearing again in their brilliant act known as "In Conjunction."

The spectacle these two planets present just before daybreak is said to be a most fascinating one to a lover of nature, and would repay one for staying up part of the night to witness.

Every twelve years the path of the two planets converge until, to the observer, they appear to be almost touching, although in reality millions of miles apart. Venus is the brightest star in the heavens, being nearest the earth, which it approaches in size, Jupiter is 1,400 times as large as Venus. It takes the latter twelve years to complete the circuit about the sun, while Venus makes the trip every 224 days.

Every twelve years their paths, as they revolve about the sun, bring them into almost a direct line as seen from the earth.

They are first observed about 4 o'clock a. m. just above the eastern horizon. As they emerge further from the haze about the horizon, Venus shines with unusual brilliance and they can be seen with the unaided eye until 4:45 o'clock. They will remain in close proximity until the last of the week, and then gradually draw farther apart.

The percentage of negroes in rural communities decreased from 86.2 in 1890 to 77.3 in 1900, and to 72.6 in 1910.

MARYVILLE WON 7-5

ALL-STAR BASE BALL TEAM DEFEATS BURLINGTON JUNCTION.

HAM ALLOWS NO HITS

Normal Player Pitches Faultless Ball 8 Innings—Adams Landed, Too—Ernst Gets Home Run.

The Maryville All-Stars base ball team won its initial game of the season yesterday afternoon at Burlington Junction, when it took the big end of a 7 to 5 score before a large crowd of fans of Burlington Junction, Maryville and surrounding towns. This, too, when it is explained that Burlington Junction shut out both Maitland and Skidmore in the two preceding games of the season it has played.

Features to the Maryville team's credit was a home run by Orville Ernst, left fielder, in the fourth inning, a double play by David Seckington, second baseman, and Harry Tilson, first baseman, and a pinch play by Charles Wiles, catcher, and Claude Wilson, third baseman. The full nine innings were finished in an hour and five minutes, the game being fast and interesting throughout through good playing and close scores.

Ham Allowed No Hits.

Eddie Adams took the mound for Maryville and held it for six innings, when he was relieved by Ham, who pitched the next three innings without a hit to his debit. Adams also did good work in the box, but allowed five hits, one a scratch.

Superiority of team work and less errors and fumbles aided materially in bringing the Maryville team to victory.

The Players.

The Maryville players were: Adams and Ham, pitchers; Wiles, catcher; Harry Tilson, first base; Seckington, second base; Claude Wilson, third base; Homer Scott, short stop; Ham and Adams, right field; Brittaine, center field, and Orville Ernst, left field.

The score:

Maryville..... 7 16 8
Batteries—Sewell and Hollis, Hagoy; Adams, Ham and Wiles.

The KOCH'S PHARMACY

WOULD CLEAN THE ROADS, TOO.

Farmer Should Have Well Kept Places and Highways as well, Argued.

The highways are for the use and pleasure of the public, whether it be the farmer, the city man or the tourist. Who has not noted the difference in the roadsides where they are kept free from undergrowth, fences in good shape and hedges neatly trimmed or where hedges, brush and weeds grow at will.

The prosperity and taste of the occupants is usually evidenced by the conditions on and around the premises.

In many instances the farmer is kept from the roadside work by the more urgent demands of seed time and harvest and the daily living. But whether the roadsides are what the farmers want them to be is it fair to

have thoughtless persons scatter old tin cans, glass and cast off utensils along the way?

Cow Chews Tobacco; Dies.
Bethany, Mo.—William Rogers, a farmer near here, returned home from town rather late and, in the rush of doing chores, he left a three-pound package of plug tobacco on the wagon seat.

When he went after it early this morning, he found one of his best milch cows standing by the wagon, diligently chewing. The cow had eaten two and one-half pounds of the tobacco. A veterinarian was summoned, but the cow died later.

Mrs. Mary Estes, who had been spending the past year with relatives in Mississippi and Louisiana, returned to Maryville yesterday and will make her home with her sister, Mrs. C. Q. Smith.

The Winning Reasons

In The
Montgomery Shoe Co., Contest

Reasons—Number 12, 89 and 79 respectively won first, second and third. Each person will receive a pair of shoes or slippers as advertised. Many sets of reasons were received from all parts of Nodaway County that were creditable; but the winning reasons were selected on points, as to their value of information to the general public.

The judges were Messrs. Harvey Haines, O. N. Gingrich and Elwood Barrett.

WINNING REASONS

The First Seven Best Reasons by Virginia Rose, Maryville, Missouri

Seven Reasons Why You Should Buy Your Shoes from the Montgomery Shoe Store:

Montgomery's shoes are not surpassed in style, there being various styles suitable for all occasions.

The unquestioned quality and durability of Montgomery's shoes is a point to be considered.

Montgomery's handles shoes of standard makes that are much praised by all who wear them.

The wide range in style and prices of their shoes makes neat, stylish shoes accessible to the person of modest means, yet pleasing to the most fastidious.

Knowing the quality of their shoes, you know you are taking no risk when you buy there.

Montgomery's are up to the minute. The latest styles are always to be had at Montgomery's.

Courteous attention is shown to all customers. Montgomery's knows how to fit them.

The Second Best Seven Reasons by Mrs. W. C. VanCleve, Maryville, Missouri

Montgomery's is the place to buy your shoes:

First: You can be suited in anything from a plow shoe to the daintiest dancing slipper.

Second: Montgomery's advertise new styles and standard makes.

Third: Every pair of shoes bought at Montgomery's is the best for the price in both in quality and style.

Fourth: With every pair of shoes, Montgomery's gives a shine ticket good for twelve shins.

Fifth: The clerks understand their business. They are courteous and eager to please.

Sixth: Montgomery's name stands back of the shoes they sell. Satisfaction guaranteed.

Seventh: The same consideration is shown to big, little, rich or poor and all mistakes are promptly rectified.

The Third Best Seven Reasons by Mrs. Alfred Crater, Ravenwood, Missouri

We buy shoes from Montgomery's because:

1. We get our money's worth.

2. Montgomery's knows good style and good leather.

3. Of the courtesy of their sales people.

4. We've tried Montgomery's shoe and we've tried others.

5. I buy my own shoes from Montgomery's because I like for my shoes to fit my feet.

6. My husband buys his shoes from Montgomery's because he wants plow-shoes that will stay soft and comfortable and dress shoes that look as well as anybody's.

7. We buy shoes from Montgomery's because we want boy's shoes with as much style as a man's shoes and leather that will stand boy's wear.

Scenic Route to the Expositions

The first intimation of approaching wonders is the cool, crisp, mountain air of Wyoming—Cheyenne, Laramie, Green River—then Echo and Weber Canyons, where ages of erosion and glacial ice have fashioned awe-inspiring scenes. Across the Great Salt Lake, 29½ miles long; "Going to the Sun" by Rail, thence the rugged Humboldt River Valley, along the everchanging, tumbling Truckee River to Reno—through the Truckee River Canyon to Summit, where alpine Donner Lake, of tragic interest, gleams placidly in its granite basin 7000 feet above sea-level. Descending the sunny Sierra Nevada Range through Emigrant Gap (a landmark of the Forty Niners Prairie Schooner Trail) is seen, 1500 feet below, the entrancingly beautiful American River. Approaching Dutch Flat through Blue Canyon, the vista across the gorge is magnificent; thence the Sierra Nevada foothills through vineyards and orchards to sunshine and delicious air, fragrant with the odor of ripened fruit, when you travel the scenic

HIGHLAND SCHOOL CLOSES.

Basket Dinner Held Tuesday—School Children Give Program.

The Highland school, southwest of Maryville, held closing exercises Tuesday, giving the annual basket dinner at noon, followed by a program, given by the children of the school.

Miss Rose Shinabargar, teacher, has been re-elected for the coming year. Miss Shinabargar has taught nine consecutive years at the Highland school. Lawrence Charles, a student at Highland, has the enviable record of never having missed a day's attendance in the past four years.

There were four pupils of the Highland school that were neither absent nor tardy during the eight months term which closed April 20. They were Lawrence Charles, Arthur Charles, Robert Mountjoy, Chlo Coler, Ermie Coler. The school was taught by Miss Rose Shinabargar and she has been re-employed for her ninth term at Highland.

Loch School Closes.

The term of the Loch school, southwest of Pickering, closed Friday and the day was given over to entertainment. At noon a basket dinner was spread, which was attended by all the parents and patrons of the school. During the afternoon a good program was given by the children. Miss Rachel Watson has been teacher of the school.

RESOLUTION NO. V.
A Resolution providing for the grading, paving, guttering and curbing of certain streets in the City of Maryville, Missouri, as follows:

Be It Resolved that it is deemed necessary by the Board of Aldermen of the City of Maryville, Missouri, that Mulberry and Twelfth streets in said city from the North line of the paving at Ninth and Mulberry streets, thence north to the South side of the bridge across the Right of Way of the Wabash railroad; from the north side of the bridge across the said Right of Way of the Wabash railroad, thence north to the North line of Twelfth street; thence west from the West line of Twelfth street to the West line of Walnut street in said city shall be graded, paved, guttered and curbed twenty-four feet in width for the entire distance aforesaid, the center line of said streets to be the center line of said grading, paving, guttering and curbing, said streets to be graded as aforesaid and brought to the established grade thereof as provided by Ordinance No. 642 of said city, and in addition thereto said streets between the points aforesaid, shall be paved with bituminous concrete, not less than two inches nor more than three inches in thickness, laid on a five-inch foundation of Portland cement concrete and curbed with six inch gutters with cement curbing six inches thick and eighteen inches deep and not less than eight nor more than sixteen feet in length, with cut joints, which curbing shall be set out into the street beyond the sidewalk, provided that the street improved shall be on each side thereof where the same abuts on a cross street graded and paved an additional width of twenty-one feet across all intersected streets and be twenty-four feet in length in the center of and across all

intersected streets, and the curbing across intersected alleys and the twenty-four feet of the middle portion of intersected streets shall be Cypress headers.

It appearing, and the Board of Aldermen of said city having this day by ordinance duly passed and approved, found that the general revenue fund of said City of Maryville is not in condition to warrant an expenditure therefrom necessary to pay the cost of bringing the before described street to the established grade, the cost of bringing the before described streets to the established grade, as aforesaid, shall be included in the special assessment for paving, guttering and curbing said streets, and the cost of all excavating and grading herein, including the cost of bringing said streets to the established grade, as aforesaid, and the cost of all paving, guttering and curbing, as aforesaid, shall be levied upon all lots and pieces of ground upon either side of said streets abutting thereon and liable therefor along the distance improved in proportion to the front foot.

Be It Further resolved that this resolution be published for two consecutive weeks in the Daily Democrat-Forum, a newspaper published daily in the City of Maryville, Missouri.

Passed and approved this seventh day of April, 1915.

Attest:
U. S. WRIGHT, Mayor.
C. W. BENNETT, City Clerk.

The above list is the standing of the high schools contesting in the northwest Missouri inter-high school track and field meet held on the Normal school track Saturday afternoon.

St. Joseph Central, the only class A high school in the association, won the championship trophy with a margin of nearly twice the number of points gained by New Hampton, nearest competitor.

Although New Hampton is a class C school, she had a greater number of points than any class B school, and so was entitled to the class B cup. Upon forfeiting the class C cup to win the cup of the higher class, she forfeited her right to the trophy of class C, which was then won by Maitland with a total of 17 points.

3 Local Students Winners.

The Maryville school, together with Bethany, finished in seventh place, each with 7 points. Flemming, Glass and Yehle were the point winners for Maryville. Flemming, who took second in the 220-yard dash, is a sprinter of considerable promise, and with experience should make an exceptionally fast man. He also took fourth in the 100-yard dash, and finished up fourth in the relay for Maryville, Yehle tied for third place on the pole vault event. Glass took fourth in the discus throw, while Frank tied for third in the running high jump.

Only two records were broken during the meet. The light rains of Friday night and Saturday morning made the track so slippery that it was impossible to make record time in the running events. Many fast men contested, and it is highly probable that if the track had been in perfect condition that several high marks would have been smashed.

Younger of Maitland, who held the record in the pole vault, raised his own mark of 10 feet 5½ inches to 10 feet 8 inches. Younger tried 11 feet but grazed the bar too closely and did not

make the distance.

Vandeventer of Mound City got the other record, smashing the redoubtable Simpson's distance in the standing broad jump. The Mound City lad jumped 10 feet 5½ inches. The old mark was 10 feet 2½ inches.

Official Receives Praise.
One of the features of the meet was that it was run off entirely in the afternoon. Hitherto preliminaries have always been run in the morning. However, the events were so planned that the meet went off in schedule time.

Much credit was given to Corresponding Secretary H. P. Swinehart, who also was the manager of the meet, for the systematic way in which the whole meet progressed, and for the

SIMPSON, LOCAL FAME, WINS

Former Bosworth Star Takes Second at 'Penny' Meet in 120-Yard Hurdle.

R. Simpson of the University of Missouri, formerly of the Bosworth high school, during which time, in 1913, he broke several track and field meet records here in the inter-high school events, took second place in the 120-yard hurdles on the M. U. relay team at the Pennsylvania meet Saturday.

The best time was made by him in the preliminary, it being 15-2-5 seconds. He represented the Bosworth high school here in 1913, with the result that he took first in the running high jump, running broad jump, discus throw, standing broad jump, and the hop, step and jump. Only one of these records have since been broken, that being the standing broad jump Saturday.

FORMER COUNTY OFFICIAL HERE.

W. M. Oakerson Visits Superintendent and Relatives in County for Week End.

W. M. Oakerson, former county school superintendent, now chief clerk in the state public schools department at Jefferson City, left this morning for Bolckow, after a two days visit here with Superintendent Bert Cooper and his parents, Mr. and Mrs. A. J. Oakerson, and brother, Lon Oakerson, at Skidmore.

He also took in the track meet Saturday afternoon. Mr. Oakerson made a commencement address at Clarkdale Friday night, so came up here to spend the week end. He will inspect the Bolckow schools today.

FOUR MEETINGS MAKE SUNDAY BIG DAY FOR METHODISTS.

25 TOTS JOIN CHURCH

"Lodge Night" Brings 600 Men to Hear Evangelist Thurston B. Price Last Night.

The services yesterday morning and last night at the First Methodist church were outstanding in interest and attendance. From the Sunday school with more than 400, 100 of which were men, to the close of the night service, with a crowded house, attention was intense.

The morning sermon was a challenge to the church. Evangelist Thurston B. Price insisted that if Christianity was to win, a standard higher than that of the world must be raised inside the church.

Special Service for Children.

The children's service in the afternoon was well attended and not only interesting but instructive. Twenty-five of them joined the church. The singing of the chorus was remarkable, considering the rehearsal. Rev. E. N. Guice has a wonderful influence with young people, and it was manifested in the singing and exercises of the afternoon. The sermon to young people by Mr. Price was an appeal for an early beginning of the Christian life.

"Lodge night" last night was a great success. The men filled almost the whole of the main auditorium, and the women occupied the galleries. Spirited singing, Christian fellowship, an exaltation of the church characterized the service.

The subject of the evangelist's sermon tonight will be "The Value of the Soul."

HE DENIES GAMING CHARGES

Bob Garten, Hopkins, Arrested on Grand Jury Indictment—Pleads Not Guilty Today.

Bob Garten of near Hopkins, pleaded not guilty to a state charge of gaming before Circuit Judge W. C. Ellison, this morning, on arraignment, and his case set for trial next September. His bond was fixed at \$200, which he announced he could furnish tomorrow.

Garten was arrested Saturday and brought to Maryville. The arrest followed an indictment returned by the grand jury recently.

MRS. MCCLANAHAN DEAD.

Funeral Services Will Be Held at J. O. Thompson Home.

Mrs. Nancy McClanahan died at 7:45 o'clock this morning at the home of her daughter, Mrs. J. O. Thompson, of Guilford.

Mrs. McClanahan had been in failing health for several years. Her husband died a number of years ago. She is survived by five children. They are J. M. W. D. and J. A. McClanahan of Guilford, Mrs. Hanna of Pickering and Mrs. Thompson of Guilford.

No definite arrangements have yet been made for the funeral service, but it will probably be held at 11 o'clock tomorrow morning at the residence of Mrs. Thompson.

IMPROVE ROADS NEAR QUITMAN.

J. S. Carden, Sherman Cardell, Quitman, Make "Best" Highway, Some Declare.

Who is champion road dragger of Nodaway county?

That is the question now up before the judges—the people who traverse the county highways.

Two leading contestants for that title are J. S. Carden and Sherman Cardell, near Quitman, who have dragged and improved three miles of the highways this side of Quitman with marked success. Some declare them to be easily the winners. Anyway, the stretch is exceedingly good, in comparison to many other miles of roads in the county, it is said.

TO COLLECT MAGAZINES.

Club Women Will Make General Gathering in a Few Days.

A general city collection will be made of magazines the latter part of this week or the first of next week by the club women, who are gathering them for the annual shipment to be made early in June.

The club women will appreciate the co-operation of all the women in the city in this work and ask that the magazines be saved and tied in bundles ready for the collector.

A thorough canvass will be made of the city and all residences visited.

County Officials Hear Assessment Complaints Today—Few "Kicks" Are Registered.

Members of the county court, County Surveyor J. E. Reese and Sheriff Edwin Wallace met as a board of appeals today to hear complaints from property owners of real estate and personal property in Nodaway county whose assessments for 1915 were raised at the meeting of the board of equalization recently. Few kicks are being registered this year, however.

The general assessments were raised in several townships and many changes made in individual assessments, but most of them seemed to have "taken" all right. The greatest complaint appears to have come from Jefferson township.

Consideration of assessments of merchants' tax will not be heard until next September.

PALFREYMAN, NORMAL TUTOR

U. of M. Basket Ball Captain to Assist in Manual Training Here This Summer.

George Palfreyman of Columbia, captain of the University of Missouri basket ball team, a member of the university base ball team, and a general all-round athlete, has accepted the position as assistant manual training and physical education instructor at the State Normal school here during the summer term.

Mr. Palfreyman came to Maryville Saturday with Chester L. Brewer, athletic director of the University of Missouri, to attend the track meet, but has returned to Columbia, pending the commencement of the summer term there May 27.

He is finishing up his work in education and arts and science at the university, though he will not receive his degree until the middle of next year. Palfreyman has served his three years at Missouri.

IS JESSE WILLARD'S COUSIN

Floyd L. Willard, Auto Speeder, Stops Off on Tour—Fights Champ's Double Accompanes.

Floyd L. Willard, Albert Lea, Minn., first cousin to Jesse Willard, heavyweight champion of the world, is in town.

Sounds rather fanciful, doesn't it? But it is true nevertheless. As this good piece of news seeped out to a slight degree yesterday, the said human has been the host of scores of youths, and even men, bent on getting a glimpse, at least, of this far-relative of the fight champ.

It might be mentioned that Floyd rode into Maryville Friday aboard a speed auto—a 48-horse power Mercer racing car, enroute from Albert Lea to Coffeyville, Man. With him was William Jensen, 6 feet 7½ inches high, weight 240 pounds, minus any fat, almost an exact double of the fighting champion, and who has passed off in several towns on the trip as the real article.

Accompanying them on another racer was Sigfried Hougdaal, a motor cycle fiend and 25-mile champion on the two-wheel automobile.

Upon arriving here they were compelled to remain over Saturday, yesterday and today on account of the bad condition of the roads. They will enter races at Coffeyville, Winfield and Salina, Kan., within the next month, then take in the various county fairs with their speed machines.

But getting back to the subject. Floyd L. Willard is a son of F. C. Willard, a brother to the father of Jesse Willard, sure-enough fight champion. The Willards are all husky. It runs in their family, too, to scrap, so Floyd testified. In fact, he is quite solid with the gloves and in wrestling himself, and recently fought a six-round ring battle at Des Moines with marked success.

The Willards, so Floyd says, formerly lived in Vermont. Later F. C. Willard moved to Minnesota and his brother moved to Kansas, where the heavyweight title holder got his rearing.

Floyd first visited Jesse Willard four years ago at St. Louis.

SAY NEGRO WAS 'BOOTLEGGER'

Arrests Lewis Wilson on Charge from Gallatin—To Be Returned.

Lewis Wilson, a negro, was arrested by Sheriff Edwin Wallace here this morning, on charge of "boot legging" served against him at Gallatin, Davies county. Sheriff Samuel R. Surface of Davies county, will come to Maryville today to return with Wilson.

G. A. Gasper pleaded guilty to a charge of being drunk and was fined \$5 and costs in police court this morning. He paid.

TO COMPETE AGAIN

LOCAL ATHLETES MAY GO TO TRENTON MAY 7

PLAN BETTER MEET 1916

Annual Contest Next Year to Be Improved by Additional Contest and More Liberal Rules.

With the close only Saturday of the sixth annual northwest Missouri inter-high school literary and athletic contests, considered the most successful and interesting, in many ways, of any of the six that have been held, high school students already are looking forward to next year's meet with the intentions of beating present records. Officials of the association likewise are looking forward to the next meet and feeling quite well satisfied generally with the one just closed.

Despite the threatening weather the officials and participants had to contend with preceding and during the game a large crowd witnessed the athletic and literary contests. The track meet participants also did ably, local officials say, considering the condition of the field and the short time in which some had to train for the meet.

Changes are Improvements.
The literary contests also resulted favorably, better essays and declamations than ever before being presented. The meet just closed also resulted in a far greater interest being taken by the various high schools of the Normal district, with the result that each year competition is growing keener and more spirited in both literary and athletic events.

The addition of extemporaneous speaking to next year's program also will result in a greater interest being taken and an enlargement of the entries, it is believed. The improvement of rules and conditions governing the meets also will do much to increase interest, it is believed. One change in particular—that permitting athletic entries up to within eight days of the track meet, instead of fourteen days, as in the past—will allow school athletic directors to better judge which men to enter.

High School Plans Another.
The change relative to grading on general effectiveness, rather than by the old point system, in the declamatory and extemporaneous speaking contests likewise will prove satisfactory, it is conjectured.

While the local high school secured no championship nor relay cup in the meet Saturday, the success of several of the participants in taking away several awards indicates the local school has the material with which it can do much in the future meets, when the men will be better developed and trained.

The local athletes are planning to take part in the high school track meet at Trenton, May 7, but will not enter the tri-state high school meet at Tarkio the same date, it is announced.

RETURNS TO COLUMBIA.

Charles Kane Delivers Official Invitation to Press Association.

Charles Kane, a student at the Missouri state university, returned to Columbia last night, after a short visit in this city with his parents, Mr. and Mrs. John Kane.

Mr. Kane came to Maryville to attend the meeting of the Northwest Missouri Press association, held Friday and Saturday, and to deliver the official invitation of Dean Walter Williams of the university for the association to attend journalism week, May 3 to 7, at Columbia.

Christian Endeavor to Meet.

A special meeting of the Christian Endeavor Society of the First Christian church, will be held tomorrow night to make arrangements for holding the annual May morning breakfast at the church Saturday morning, May 1.

AUSTRIA READY FOR ITALY

Italian Refugees Report Frontier Lined With Entrenchments and Cannon—To Raze Villages.

By American Press.
Belluno, Italy, April 26.—Italian refugees from Austria report that Austrian troops have fortified the entire frontier along the Italy-Austria-Hungary boundary and are even building entrenchments of concrete, behind which have been placed cannons of large caliber.

Officers are said to have declared that if hostilities are begun they will raze the villages nearest their lines from Selva, east of Lake Gardi, in Italy, to the last village in Italy, twenty miles to the north of Selva.

STOP U. S. PEACE WORKERS

Forty American Women Delegates to The Hague Congress Help Up in England.

By American Press.
London, April 26.—The steamer Nordway, with forty American women delegates to the Hague peace congress among its passengers, is anchored in Downs, unable to obtain permission to proceed up the channel to Rotterdam. Miss Jane Addams of the famous Hull house, Chicago, has sent an appeal to the United States ambassador at The Hague, urging him to enlist the aid of the American government to secure the release of the marooned delegates and enable them to arrive at The Hague in time for the conference, which opens at The Hague Wednesday.

STORE TO BE ENLARGED.

Haines Dry Goods House to Undergo Extensive Changes.

An extension is to be made in the salesrooms of the Haines dry goods store and the main room extended fifty feet to the west. Workmen will begin on the remodeling in a few days. The wall at the back of the present salesroom will be removed and the entire length of the building opened into one main room.

The new room will be devoted entirely to the display and sales room for ready to wear goods. With the finishing of the new room there will also be built a private alteration room, which will be under the direction of Miss Anna Stabler.

Miss Stabler will close the dressmaking establishment over the Alderman-Yehle store, which she has conducted for some years, and will take the position at the Haines store May 9. Mrs. D. E. McDonald, who is at present in charge of the alteration room, will assume charge of the corset fitting department. A private room will also be built for the corset fitting accommodation. The warerooms have been devoted to selling space only.

Other changes for the convenience and beauty of the store will be introduced in the changes to be made.

FARMERS ARE BUSY NOW.

Nice Weather Brings Long Working Hours—Make More Gardens.

The Nodaway county farmer is right now about the busiest class of men in the county, as will be attested by anyone driving through the country just now. The farmers suffered a little setback in their spring work as a result of the long winter of distressing weather and they are making up for it by long hours at hard labor right now. The pleasant weather has been of great benefit and they are catching up in great shape.

Besides planting record acreage of general crops this spring, many farmers of the vicinity are paying greater attention than usual to gardening. On nearly every farm this week farmers, their families and their hired hands were busy planting "backyard gardens" long after they had come in from the fields.

TO FIGHT CANADA?

GERMAN FLEET HEADED ACROSS ATLANTIC, REPORT.

MAY ATTACK EAST COAST

Information from Navy Deck Officer to Master of Interbed Ship—Some Discredit Report.

By American Press.

Portland, Ore., April 26.—A German squadron of fourteen vessels, bent on bombarding the most important cities and fortifications of the Atlantic coast of Canada, is now headed for the western hemisphere, according to a letter received last night by Captain Carl Branch, master of the German bark Delberg, interned here since July 23, from a friend who is deck officer of the German navy.

While the Portland report is not looked upon as authentic by some, it is generally reported that part of the German navy hemmed in the Baltic and North seas by the British fleet has gotten into the open and may be headed across the Atlantic, as reported.

DIES AT UNCLE'S HOME.

Funeral Services for Willard Jones to Be Held Tomorrow.

Willard Jones, 21 years old, died at 10 o'clock this morning at the home of his uncle, Charles Jones of Burlington Junction.

The young man had made his home with his uncle for some time. The funeral services will be held at 11 o'clock tomorrow morning at the Methodist church in Burlington Junction. The burial will be made in the cemetery there.

TO ATTEND SISTER'S FUNERAL.

Two Members of Hays Family Buried Within Two Days.

J. T. Hays of this city and his brother, John G. Hays of Skidmore, left yesterday afternoon for Wray, Col., to attend the funeral services of their sister, Mrs. Eliza Poston, who died at noon Thursday, and a few hours after the death of another sister, Miss Isabelle Hays of Skidmore, who passed away at 7 o'clock Thursday morning.

The funeral services of Miss Hays were held at 11 o'clock Sunday morning at the Methodist church of Skidmore, conducted by the Rev. C. H. Sauceman, pastor, assisted by the Rev. Reuben Barrett and the Rev. W. H. Welton of Skidmore. The body was buried at the Burr Oak cemetery.

COURT IN BRIEF SESSION.

April Term Will Close Wednesday Until September—Continue Motion Case.

A brief session of circuit court was held here this morning, at which time Bob Garten waived formal arraignment for gaming and a motion to retax costs in the suit of John Growney against Conrad Reiddinger, was continued.

A short and final session will be held Wednesday, when A. F. Harvey will present his decree as special circuit judge last week, in a suit over the perfection of a farm title. This will end the court work here until next September.

Judge W. C. Ellison and Arthur Brewer, court reporter, will go to Grant City next Monday to convene the May term of the Worth county circuit court.

To Hold Annual Sale.

The annual rummage sale given by the Mission Circle of the First Christian church will be held Friday and Saturday in the vacant building directly east of the Star theater, on the north side of the square.

Secretary Bryan has announced that passports will be denied to tourists going to Europe now for pleasure. Anybody that wants to go to Europe under present conditions for pleasure is more in need of a guardian than a passport anyway.

It is a reflection upon the intelligence of the masses to assume that they can be deceived by the hue and

cry which is now being raised by industrial pirates under the plea of "protecting business." The selfishness and sordidness of this attempt to deceive the public ought to have been apparent even before the Democratic party had an opportunity to put its principles and policies into practice; surely deception ought to be impossible now when the people not only see, but enjoy the benefits of the legislation framed on the theory that this, being a government of the people, and by the people, should also be for the people—administered according to the maxim "equal rights to all and special privileges to none."—W. Nodaway Lumbermen Attend.

The following lumber dealers of Nodaway county attended the annual spring meeting of the Northwest Missouri Retail Lumber Dealers' association at St. Joseph, Friday and Saturday: A. L. Shely, Hopkins; W. C. Aldrich, Elmo; E. C. Curfman, Maryville; I. A. Goodson, Ravenwood; W. S. Condevest, Conception Junction; D. C. Hartley, Barnard; E. C. Starin, Guilford, and C. C. Trapp, Graham.

Mr. Trapp was president of the association for the year just ended. F. A. Edwards of Maitland succeeds him.

A PLEA FOR RISING EARLY

Venus and Jupiter in Conjunction at 4 a. m. First Time in 12 Years.

A rare and beautiful spectacle is being staged in the heavens this week, but, unfortunately, owing to the unearthy hour at which the curtain rises the audience is limited to belated night owls and the few enthusiastic astronomers of the city. The astral performers are Venus and Jupiter, who, after an absence of nearly twelve years are appearing again in their brilliant act known as "In Conjunction."

The spectacle these two planets present just before daybreak is said to be a most fascinating one to a lover of nature, and would repay one for staying up part of the night to witness. Every twelve years the path of the two planets converge until, to the observer, they appear to be almost touching, although in reality millions of miles apart. Venus is the brightest star in the heavens, being nearest the earth, which it approaches in size. Jupiter is 1,400 times as large as Venus. It takes the latter twelve years to complete the circuit about the sun, while Venus makes the trip every 224 days.

Every twelve years their paths, as they revolve about the sun, bring them into almost a direct line as seen from the earth.

They are first observed about 4 o'clock a. m. just above the eastern horizon. As they emerge further from the haze about the horizon, Venus shines with unusual brilliance and they can be seen with the unaided eye until 4:45 o'clock. They will remain in close proximity until the last of the week, and then gradually draw farther apart.

The percentage of negroes in rural communities decreased from 80.2 in 1890 to 77.3 in 1900, and to 72.6 in 1910.

MARYVILLE WON 7-5

ALL-STAR BASE BALL TEAM DEFEATS BURLINGTON JUNCTION.

HAM ALLOWS NO HITS

Normal Player Pitches Faultless Ball 3 Innings—Adams Landed, Too—Ernst Gets Home Run.

The Maryville All-Stars base ball team won its initial game of the season yesterday afternoon at Burlington Junction, when it took the big end of a 7 to 5 score before a large crowd of fans of Burlington Junction, Maryville and surrounding towns. This, too, when it is explained that Burlington Junction shut out both Maitland and Skidmore in the two preceding games of the season it has played.

Features to the Maryville team's credit was a home run by Orville Ernst, left fielder, in the fourth inning, a double play by David Seckington, second baseman, and Harry Tilson, first baseman, and a pinch play by Charles Wiles, catcher, and Claude Wilson, third baseman. The full nine innings were finished in an hour and five minutes, the game being fast and interesting throughout through good playing and close scores.

Ham Allowed No Hits. Eddie Adams took the mound for Maryville and held it for six innings, when he was relieved by Ham, who pitched the next three innings without a hit to his debit. Adams also did good work in the box, but allowed five hits, one a scratch.

Superiority of team work and less errors and fumbles aided materially in bringing the Maryville team to victory.

The Players. The Maryville players were: Adams and Ham, pitchers; Wiles, catcher; Harry Tilson, first base; Seckington, second base; Claude Wilson, third base; Homer Scott, short stop; Ham and Adams, right field; Brittain, center field, and Orville Ernst, left field. The score:

Burlington Junction.....5 6 5
Maryville.....7 16 3

The KOCH'S PHARMACY

WOULD CLEAN THE ROADS, TOO.

Farmer Should Have Well Kept Places and Highways as well, Argued.

The highways are for the use and pleasure of the public, whether it be the farmer, the city man or the tourist. Who has not noted the difference in the roadsides where they are kept free from undergrowth, fences in good shape and hedges neatly trimmed or where hedges, brush and weeds grow at will.

The prosperity and taste of the occupants is usually evidenced by the conditions on and around the premises.

In many instances the farmer is kept from the roadside work by the more urgent demands of seed time and harvest and the daily living. But whether the roadsides are what the farmers want them to be is it fair to

have thoughtless persons scatter old tin cans, glass and cast off utensils along the way?

Cow Chews Tobacco; Dies. Bethany, Mo.—William Rogers, a farmer near here, returned home from town rather late and, in the rush of doing chores, he left a three-pound package of plug tobacco on the wagon seat.

When he went after it early this morning, he found one of his best milch cows standing by the wagon, diligently chewing. The cow had eaten two and one-half pounds of the tobacco. A veterinarian was summoned, but the cow died later.

Mrs. Mary Estes, who had been spending the past year with relatives in Mississippi and Louisiana, returned to Maryville yesterday and will make her home with her sister, Mrs. C. Q. Smith.

The Winning Reasons

In The
Montgomery Shoe Co., Contest

Reasons—Number 12, 89 and 79 respectively won first, second and third. Each person will receive a pair of shoes or slippers as advertised. Many sets of reasons were received from all parts of Nodaway County that were creditable; but the winning reasons were selected on points, as to their value of information to the general public.

The judges were Messrs. Harvey Haines, O. N. Gingrich and Elwood Barrett.

WINNING REASONS

The First Seven Best Reasons by Virginia Rose, Maryville, Missouri

Seven Reasons Why You Should Buy Your Shoes from the Montgomery Shoe Store:
Montgomery's shoes are not surpassed in style, there being various styles suitable for all occasions.
The unquestioned quality and durability of Montgomery's shoes is a point to be considered.
Montgomery's handles shoes of standard makes that are much praised by all who wear them.

The wide range in style and prices of their shoes makes neat, stylish shoes accessible to the person of modest means, yet pleasing to the most fastidious.
Knowing the quality of their shoes, you know you are taking no risk when you buy there.
Montgomery's are up to the minute. The latest styles are always to be had at Montgomery's.
Courteous attention is shown to all customers. Montgomery's knows how to fit them.

The Second Best Seven Reasons by Mrs. W. C. VanCleve, Maryville, Missouri

Montgomery's is the place to buy your shoes:
First: You can be suited in anything from a plow shoe to the daintiest dancing slipper.
Second: Montgomery's advertise new styles and standard makes.
Third: Every pair of shoes bought at Montgomery's is the best for the price in both in quality and style.
Fourth: With every pair of shoes, Montgomery's gives a shine ticket good for twelve shines.
Fifth: The clerks understand their business. They are courteous and eager to please.
Sixth: Montgomery's name stands back of the shoes—they sell. Satisfaction guaranteed.
Seventh: The same consideration is shown to big, little, rich or poor and all mistakes are promptly rectified.

The Third Best Seven Reasons by Mrs. Alfred Crater, Ravenwood, Missouri

We buy shoes from Montgomery's because:
1. We get our money's worth.
2. Montgomery's knows good style and good leather.
3. Of the courtesy of their sales people.
4. We've tried Montgomery's shoes and we've tried others.
5. I buy my own shoes from Montgomery's because I like for my shoes to fit my feet.
6. My husband buys his shoes from Montgomery's because he wants plow-shoes that will stay soft and comfortable and dress shoes that look as well as anybody's.
7. We buy shoes from Montgomery's because we want boy's shoes with as much style as a man's shoes and leather that will stand boy's wear.

Scenic Route to the Expositions

The first intimation of approaching wonders is the cool, crisp, mountain air of Wyoming—Cheyenne, Laramie, Green River—then Echo and Weber Canyons, where ages of erosion and glacial ice have fashioned awe-inspiring scenes.

Across the Great Salt Lake, 29½ miles long; "Going to the Sun by Rail," thence the rugged Humboldt River Valley, along the ever-changing, tumbling Truckee River to Reno—through the Truckee River Canyon to Summit, where alpine Donner Lake, of tragic interest, gleams placidly in its granite basin 7000 feet above sea-level.

Descending the sunny Sierra Nevada Range through Emigrant Gap (a landmark of the Forty Niners Prairie Schooner Trail) is seen, 1500 feet below, the entrancingly beautiful American River.

Approaching Dutch Flat through Blue Canyon, the vista across the gorge is magnificent; thence the Sierra Nevada foothills through vineyards and orchards to sunshine and delicious air, fragrant with the odor of ripened fruit, when you travel the scenic

Among the numbers particularly pleasing was a duet by little Misses Rowena Hull and Mildred Porterfield.

Breaks Through Plate Glass.

Edgar Hook of Maryville had the wrist of his right hand slightly cut at 3:30 o'clock Saturday afternoon, when he stumbled as he started to enter the door to the offices of the Black Diamond Stock Powder company, West Third street, and fell through a large plate glass facing to the office. When he picked himself up he was in the office, as he intended, but through the window, not the door.
